Vue frontale ventrale

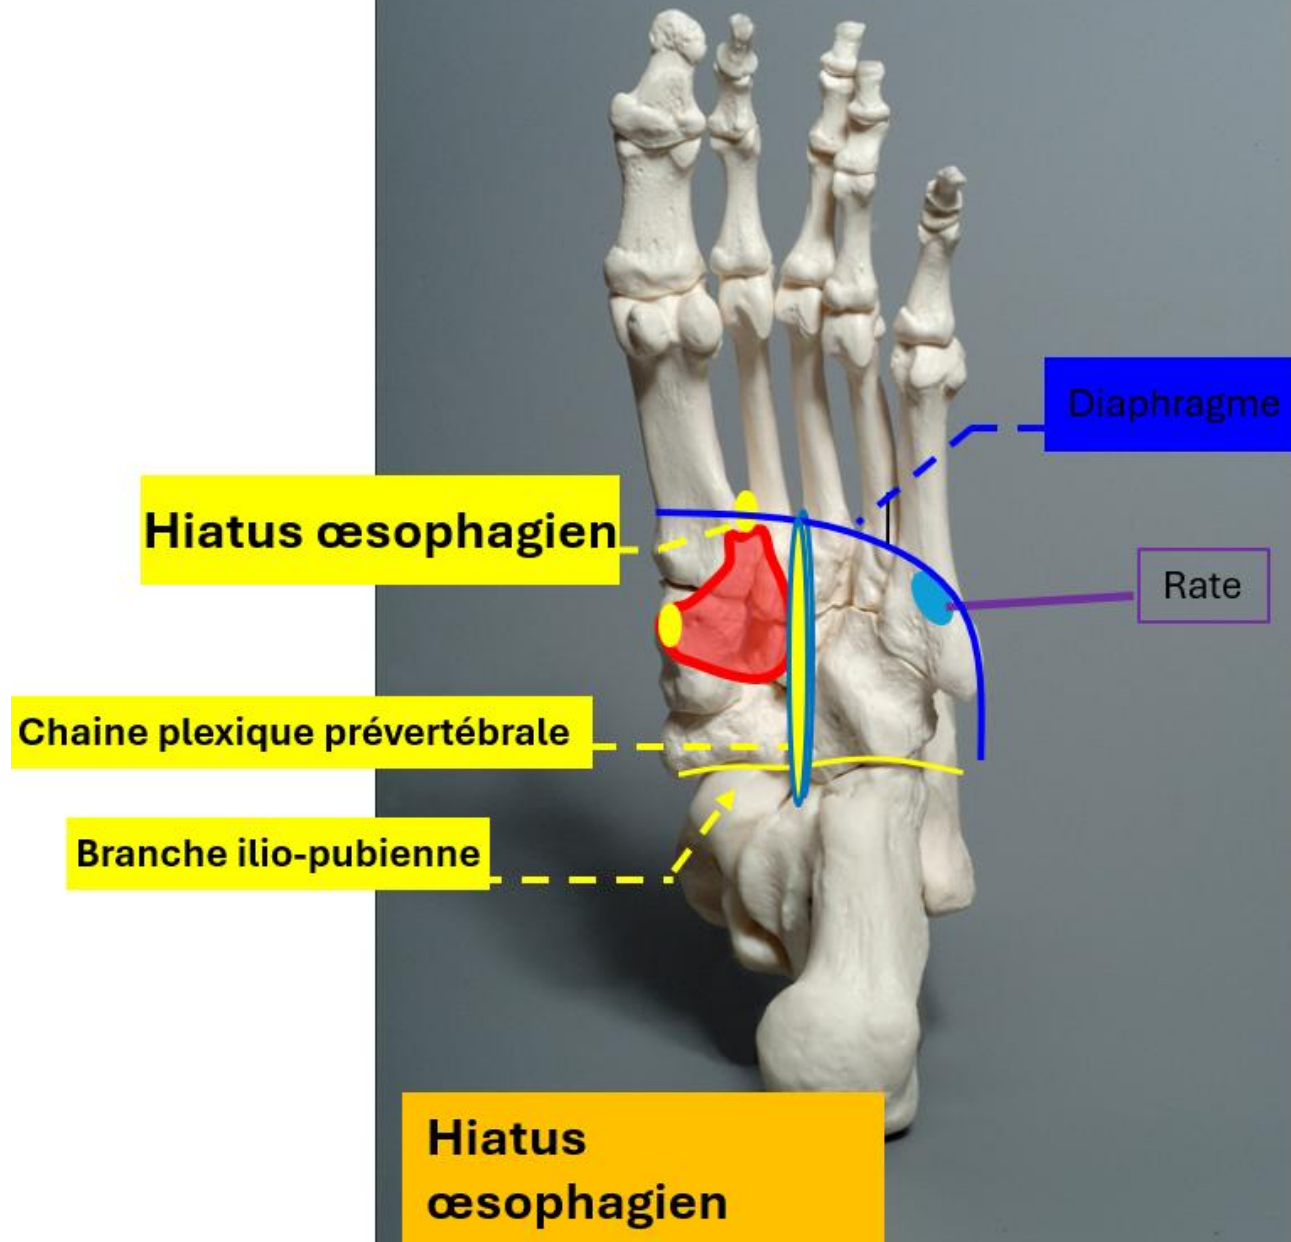

Vue frontale ventrale

Hiatus œsophagien et cardia

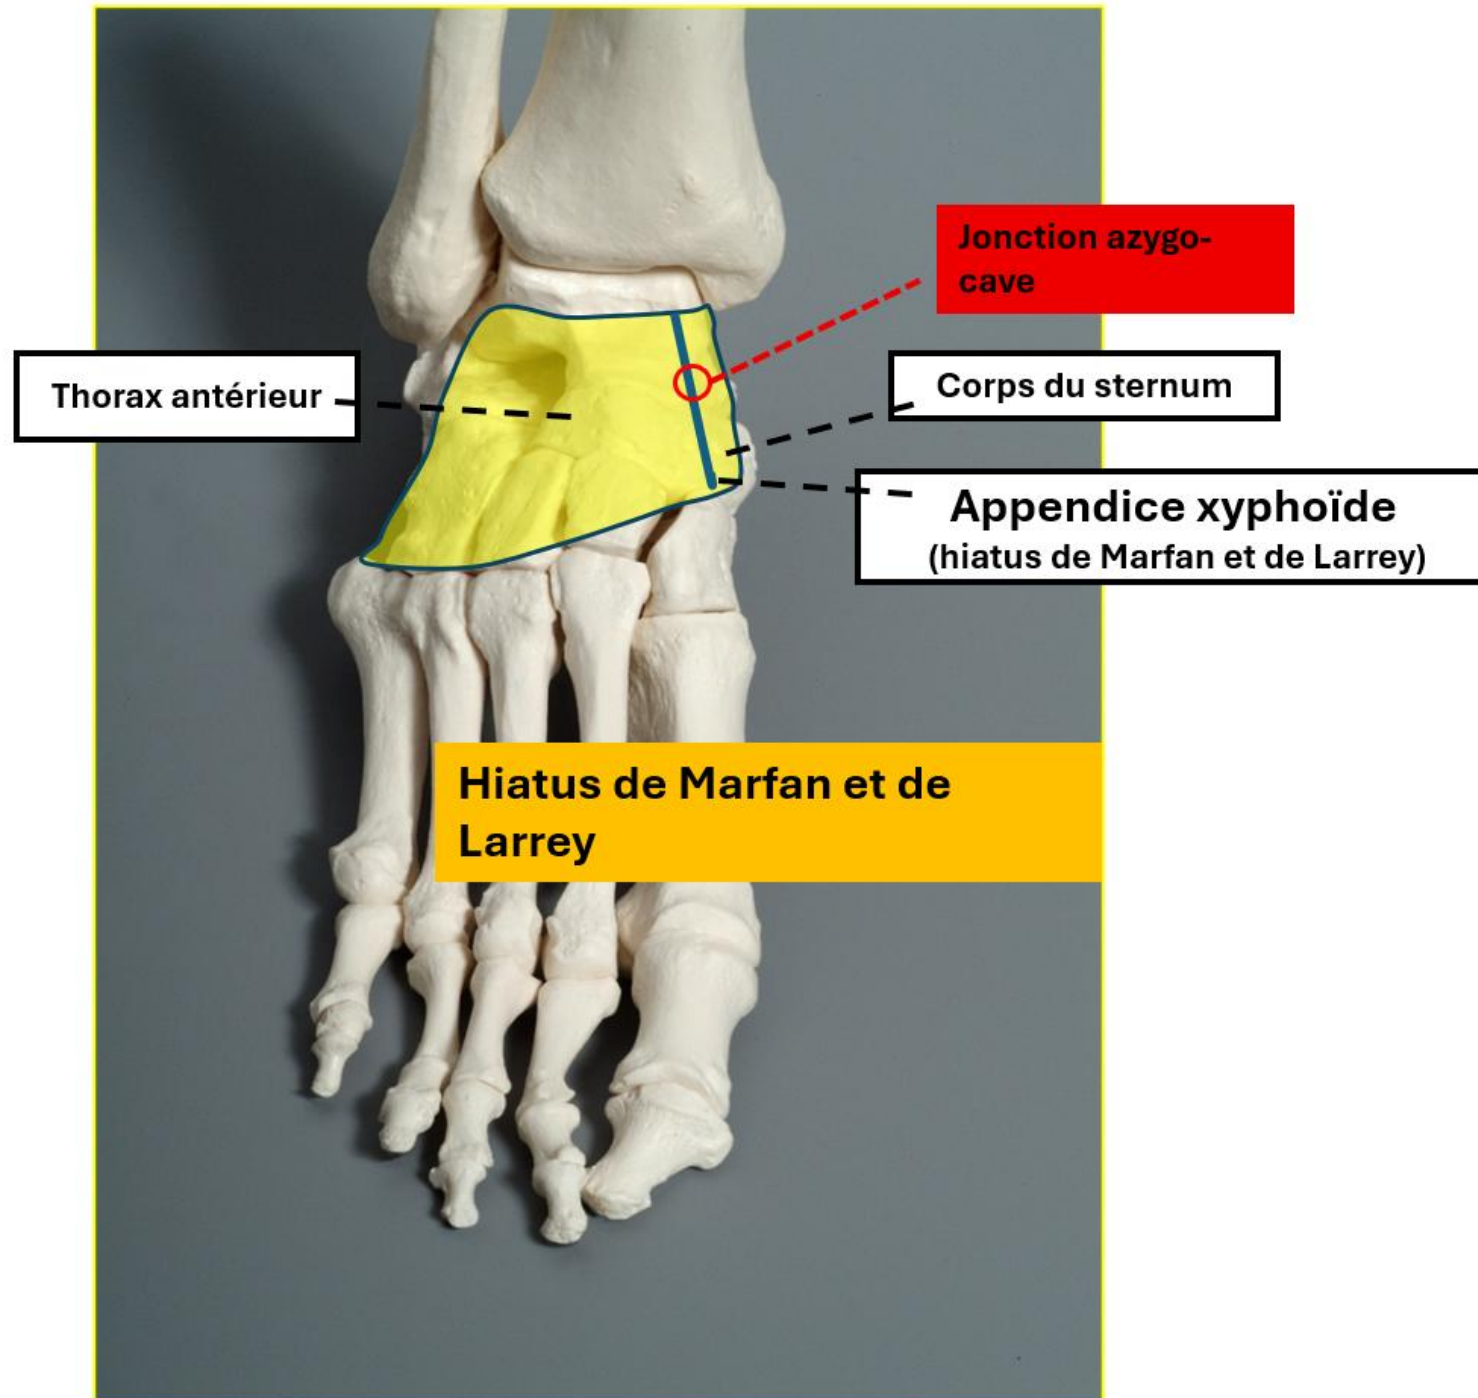

Vue frontale ventrale

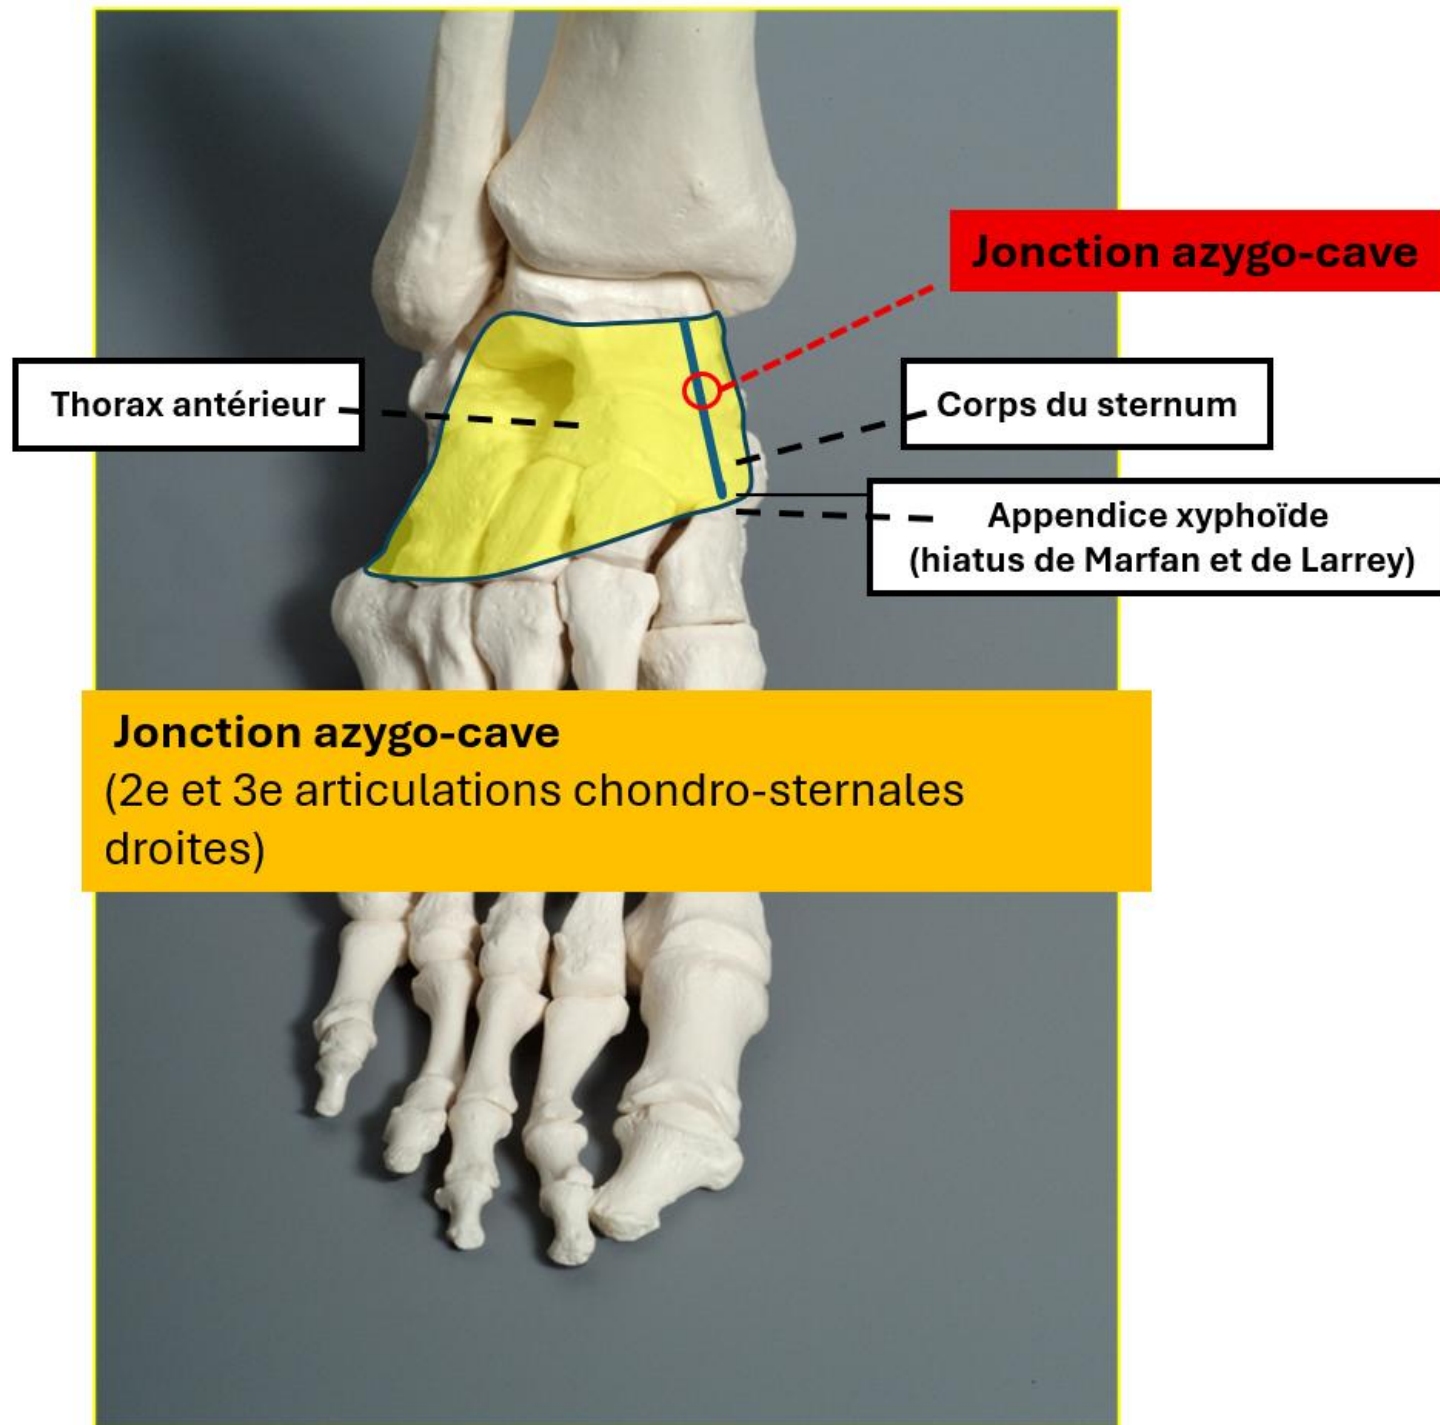

Hiatus de Marfan et de Larrey (Tubercule du naviculaire, face plantaire)

Jonction azygo-cave (2e et 3e articulations chondro-sternales droites)

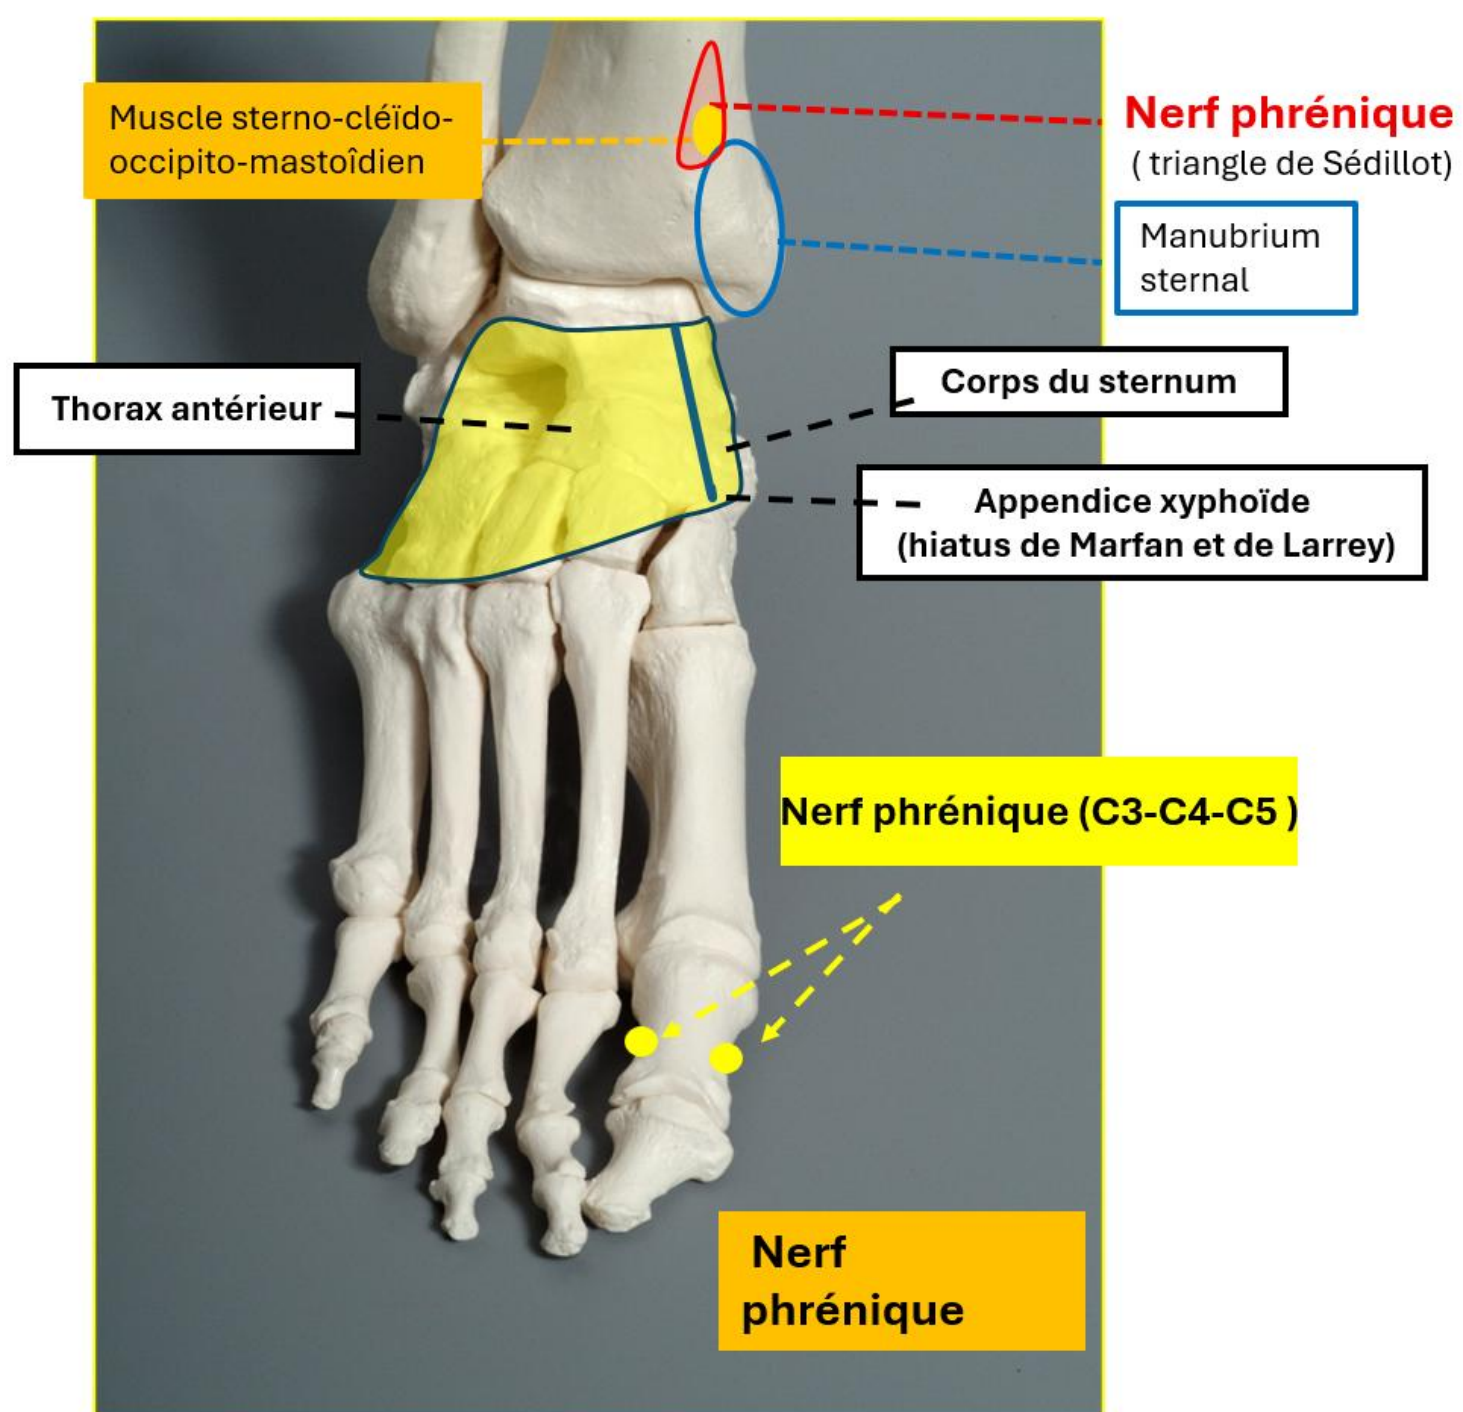

Nerf phrénique (C3-C4-C5)

A black and white anatomical illustration of a human arm and hand. The hand is positioned to demonstrate the location of the phrenic nerve. The thumb is placed on the anterior surface of the arm, near the shoulder, while the fingers are spread across the forearm. A yellow rectangular box in the lower right corner contains the text "Nerf phrénique (Triangle de Sédillot)".

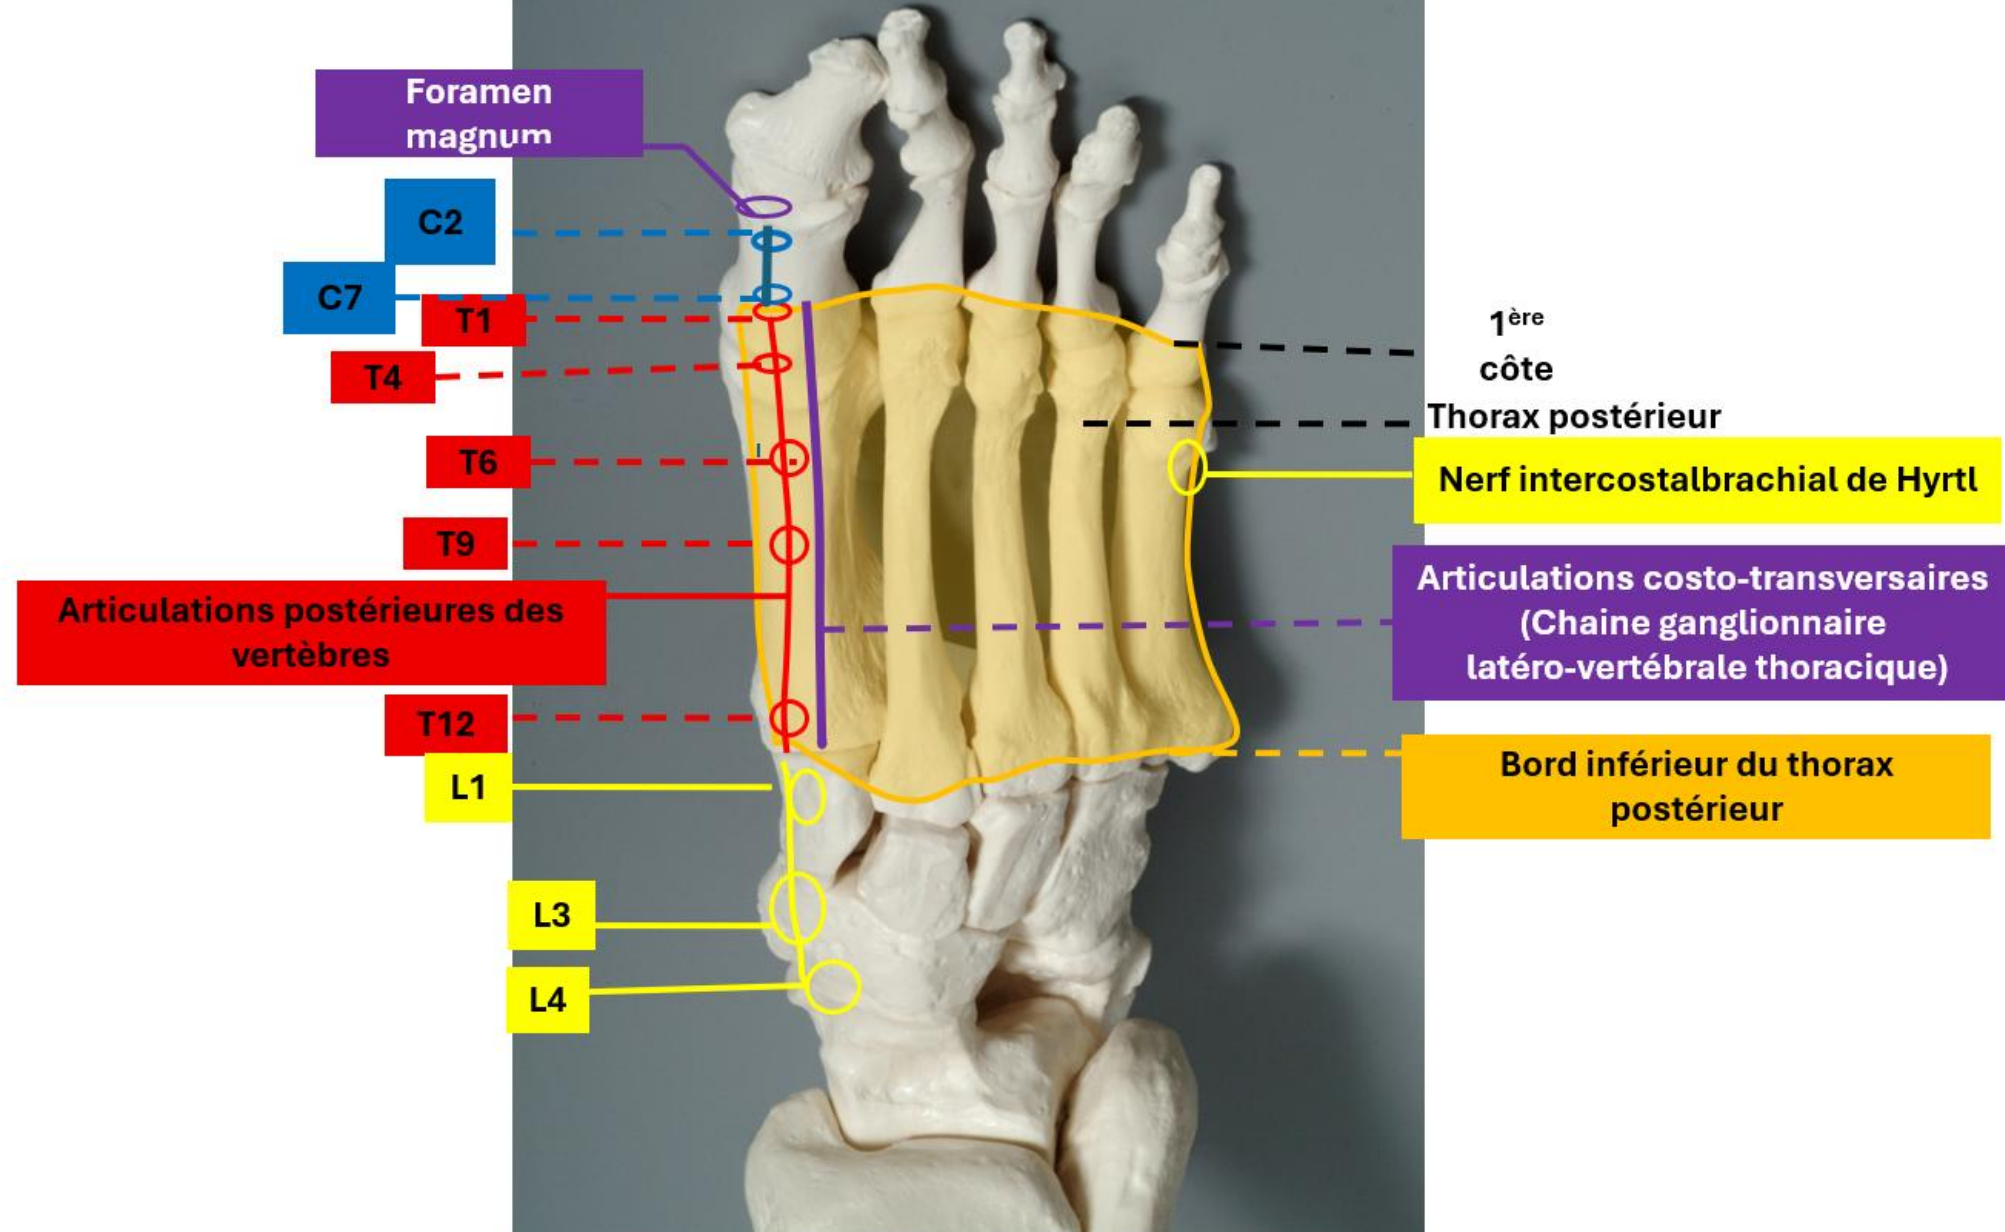

Nerf phrénique (Triangle de Sédillot)

**Articulations costo-vertébrales (entre les deux
pouces)**

Vue frontale postérieure de la colonne vertébrale

A grayscale anatomical illustration of a human foot and ankle. A hand is shown palpating the medial malleolus area, which is the bony prominence on the inner side of the ankle. The skin is rendered with realistic texture and shading. The background is dark.

**Nerf intercostal brachial de
Hyrthl**
